→ EDUCATIONAL ITEMS

Educational Grant

Independent medical grants dedicated to supporting the educational mission of the Congress are highly valued and play a crucial role in the event's success. Your contribution helps advance knowledge and foster professional growth, ensuring a high-quality educational experience for all attendees.

Mobile Application Support

The Congress Mobile App is an essential tool that enhances attendee engagement with personalized planning features and real-time event updates. It transforms smartphones, tablets, and laptops into interactive tools which enables participants to access congress information, while offering a platform for networking and active participation. The app includes the full scientific program, abstracts, speaker details, participant lists, session ratings/voting, and a personalized scheduler, and is available on both the Apple App Store and Google Play.

Mobile App sponsorship includes:

- Your company name/logo (excluding product logos) on the splash/pop-up screen with a "Supported by" acknowledgement.
- Two push notifications, providing a direct communication to attendees during the event.

E-poster Support

Kenes e-Posters offer a dynamic blend of scientific content and interactive engagement, showcasing electronic versions of traditional posters at designated digital stations. This innovative format creates unique networking opportunities, increasing the attendee interest, and provides excellent exposure for authors. Strategically placed, high-traffic terminals ensure attendees can easily access these presentations.

Support includes:

- Signage at the entrance to the e-Poster area with 'Supported by...' and your company logo.
- 'Supported by...' and your logo displayed on each individual e-Poster station.
